Dear Stephanie,

Join the Marine Science Institute crew for a four hour expedition on San Francisco Bay aboard the 90-foot research vessel, the Robert G. Brownlee.

The bus from Stockton leaves at 10:30 from the SJCOE, Arch Road offices and takes us to Redwood City where we will have lunch, then board the vessel and cruise out into San Francisco Bay.

We will rotate through four interactive stations and learn about the plankton, hydrology, ichthyology (fish), and benthic organisms of the Bay.

\$20 includes the bus, lunch and the cruise.

Adults only.
