

San Joaquin Valley Stormwater Quality Partnership

www.sjvswqp.org

Wednesday, March 19, 2025 @ 9:00 am

City of Patterson (Host)

Virtual via Microsoft Team

Meeting Minutes

1. Facilitator Information: City of Patterson – Sonia Delgado
2. Welcome / Introductions (All)
3. Approval of February 19, 2025, Meeting Minutes: Kathy Grant Motioned to approve and Caleb Smith, seconded the motion.
4. NPDES Phase II Small Municipal (MS4) Permit Update
 - Pending the approval of the MS4 Phase II Permit from the state. No updates.
5. SJVSWQP Partnership for Public Outreach/Education:
 - Stormwater Radio Ad 2025 – Sonia/Manny
 - Timeline (June/July). Radio Ad would run for 30 consecutive days.
 - Script was provided to the SJVSWQP for review and approval. Maricela Saldivar would send out the script to all again. Comments / feedback due April 1st.
 - The cost for the 2025 radio ad would be covered by the partnership dues. This was approved in January by the group. 60 seconds for this year's radio ad, Maricela Saldivar would email out the Cost from Cumulus Radio to the partnership.
6. Activities:
 - 2025 Regional Training Update: Only three people have registered at this time, but people register towards the end. Lisa Smith provided invoicing options for those agencies that need to be billed. Most speakers have been confirmed. Caleb shared the list of speakers and asked if there was any other interest in

Meeting Minutes

providing him with the information. Possibly CASQA or Master Gardeners. Heather would reach out to the Master Gardeners at UC Davis. Sonia also mentioned bringing in the State Inspector to introduce himself since Richard Muhl retired. She would reach out and see if he is available to attend.

- Coastal Clean-up Update (Dagmara). Dagmara is not present, but Chris Boyer provided the information of 9/20/25 for this event.
- Annual CASQA Conference – September 15-17, 2025, in Pasadena, CA. Everyone shared information regarding the conference and Early bird sign-ups.

7. Delta Regional Monitoring Program (RMP) Update (Sonia/Greg). Sonia Provided information regarding the Delta RMP and presentation on the Audit that was recently conducted. The audit did have some findings that would be addressed by the Delta RMP Board. They were the bookkeeping and best practices that were recommended. More ongoing audits & recommendations would be put in place after an RFP process is completed to select a firm.

Further information on Delta RMP can be found on their website at [Home - Delta Regional Monitoring Program](#)

Partnership should be receiving a presentation by the Delta RMP in the near future as that has been requested.

8. New Business. None.
9. Next Meeting Date: April 16, 2025, Location: City of Lodi
